

August 13, 2020

Hello NAC Annual Members,

Thank you for your continued patience. We appreciate your support as we continue to deal with the challenges presented by COVID-19. We hope you and your friends and family are staying safe and healthy.

We opened our doors to all Annual Members on May 21st. The Board has discussed how the NAC is going to address the time span we were closed to members. If you wish to take advantage of the options below, please complete this form: [Payment Extension Option Form](#)

Annual Members without a Storage Spot

1. If you pay your dues in full, your next invoice due date will be pushed back TWO MONTHS. For example, if your invoice is normally due October 1st, it will now be due December 1st.
2. If you pay your dues monthly via auto debit, you will not be charged for TWO MONTHS. This will take place in the month of September 2020 and the month of April 2021.

Annual Members with a Storage Spot

1. If you pay your dues in full, your next invoice will show a credit representing TWO MONTHS membership dues. You will be billed for 10 months membership dues and your regular storage fees for the year.
2. If you pay your dues monthly via auto debit, the amounts charged for the months of September 2020 and the month of April 2021 will not include membership dues. They will only include your storage fees.

If you are a member who canceled or paused their membership during our closure, this does not apply to you.

If you take no action regarding the credit by September 1st, we will assume your choice is to donate the credit and you will receive a donation letter for tax purposes. You will continue to have your auto debit charged during the above-mentioned months, or if you pay in full, your invoice date will not be changed.

Any questions can be directed to bookkeeping@newportaquaticcenter.com. Again, we greatly appreciate your ongoing support for our NAC ohana.
